Seagreen Offshore Wind Farm – Site Demarcation and Wave Data Buoys Maintenance.

Contact Details for Marine Coordination and Fisheries Liaison

The following contact can provide more information if required:

| | |
|-------------------------|---|
| Telephone Number, 24/7 | +44 (0) 333 344 5255 |
| Duty Marine Coordinator | seagreenmarinecoordination@sse.com |
| Address | Seagreen Wind Energy Ltd, Windy Waves House Montrose Port Authority, South Quay Ferryden, Montrose, Angus DD10 9SL. |

Fisheries liaison is coordinated by Brown and May Marine Ltd. For all fisheries enquiries, John Watt is primary contact:

| | |
|------------------|---|
| Telephone Number | +44 (0) 1379872144 |
| Mobile number | +44 (0) 7590 880746 |
| Email | Willie.w@Brownmay.com |
| Address | Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU |

1. Activity Description.

On behalf of Seagreen Wind Energy Ltd, Seaway 7 will conduct the re-establishment of site demarcation buoys reported off-station and carry out routine maintenance on all other site demarcation buoyage including the three wave-rider data buoys.

Coordinates of the three buoys to be re-established is shown below in table 1, the remainder of the buoys to be serviced is shown in table 2. The locations of the site demarcation and wave-rider data buoys is shown in Fig 1. The Offshore Supply Vessel Kingdom of Fife will arrive at the Seagreen work site today the 21st of February with operations expected to continue for 7 days.

NOTICE TO MARINERS

| ID | Latitude (DDM WGS 84) | Longitude (DDM WGS 84) |
|----------------------------|-----------------------|------------------------|
| East Cardinal Mark 1 - AIS | 56° 38.616' N | 1° 33.305' W |
| East Cardinal Mark 2 - AIS | 56° 31.848' N | 1° 29.282' W |
| Special Mark 4 | 56° 31.374' N | 1° 35.618' W |

Table 1 – Buoys to be re-established - coordinates

| ID | Latitude (DDM WGS 84) | Longitude (DDM WGS 84) |
|-----------------------------|-----------------------|------------------------|
| North Cardinal Mark 1 - AIS | 56° 40.578' N | 1° 56.746' W |
| North Cardinal Mark 2 | 56° 40.710' N | 1° 38.857' W |
| South Cardinal Mark - AIS | 56° 30.798' N | 1° 56.137' W |
| Special Mark 1 | 56° 40.632' N | 1° 50.517' W |
| Special Mark 2 | 56° 40.746' N | 1° 44.622' W |
| Special Mark 3 | 56° 35.232' N | 1° 30.473' W |
| Special Mark 5 | 56° 31.107' N | 1° 42.151' W |
| Special Mark 6 | 56° 30.870' N | 1° 49.017' W |
| Special Mark 7 | 56° 33.774' N | 1° 57.149' W |
| Special Mark 8 | 56° 37.176' N | 1° 57.182' W |
| Waverider 1 | 56° 36.217' N | 1° 46.923' W |
| Waverider 2 | 56° 40.107' N | 1° 45.231' W |
| Waverider 3 | 56° 31.510' N | 1° 42.394' W |

|---|--|
| General Description and Dimensions: | Offshore Supply Vessel – LOA 61.2m x 13.8 beam |
| Call Sign: | 2BKR2 |
| MMSI: | 235066953 |
| Onshore Representative: | George Cooper George.cooper@seaway7.com |
|  | |

NOTICE TO MARINERS

3. General Safety Advice

All vessels involved in the construction of the Seagreen development will exhibit appropriate lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea; relative to their operations. All vessels will also transmit an Automatic Identification System (AIS) message.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

4. Safety Zones

Following consideration by Scottish government ministers it has been agreed that during the construction phases of the Seagreen development mandatory rolling 500m safety zones will be established around each Wind Turbine Generator and/or their foundations whilst construction works are in progress, as indicated by the presence of a construction vessel. The safety zones will be triggered whenever a vessel is on station at a WTG and undertaking construction activities.

In addition, mandatory pre commissioning 50m safety zones will be established around each Wind Turbine Generator and/or their foundations when construction works have been completed but prior to Wind Farm commissioning or where construction works have only been partially completed. These safety zones will be active at any structure during the construction phase where a construction vessel is not present at a Wind Turbine Generator.

5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address shown in this notice.
