Address	Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU

1. Area of Planned Activity.

A ground investigation geotechnical survey will take place within the boundary of the Seagreen Offshore Windfarm site.

NOTICE TO MARINERS

2. Activity Description

On behalf of Seagreen Wind Energy Ltd, Geo will conduct several deep and shallow seabed cone penetration tests as part of a ground investigation geotechnical survey. All the survey locations are within the Seagreen Offshore Wind Farm site boundary.

The survey vessel, Geo Connector, is expected to arrive at the work site on or around the 31st of January. Survey works are expected to be complete by the middle of February, vessel details below.

All vessels are requested to give Geo Connector at least 500m clearance whilst engaged in drilling activities.

3. Vessel Details

Vessel – Geo Connector	Contact Details	
	Call Sign	OYOJ2
	MMSI	219166000
	Vessel Details	
	Length	90.0m
	Beam	19.0m
	Vessel Contact	graeme.watters@sse.com

4. Safety Zones

With all the Seagreen Phase 1 Wind Turbine Generators fully commissioned, mandatory 500m safety zones shall be established around any WTG where major maintenance work is being undertaken, where major maintenance is as per the definition given in the 2007 Regulations. The safety zones will be active whenever a major maintenance vessel is at the WTG during the operational phase. Up to five of these safety zones could be concurrently active, but no more than four where there is one active 500m safety zone around the Offshore Sub-station Platform.

A mandatory 500m safety zone shall be established around the Offshore Sub-station Platform where major maintenance work is being undertaken, where major maintenance is as per the definition given in the 2007 Regulations. The safety zone will be active whenever a major maintenance vessel is at the OSP during the operational phase.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address included in Section 1 of this notice.
