

NOTICE TO MARINERS

Notice of construction activities on Seagreen Offshore Wind Farm

Date of Issue	23/03/2023	Notice Number	09/2023
---------------	------------	---------------	---------

Seagreen Offshore Wind Farm – Saipem 7000 Wave Data Buoy Deployment.

Contact Details for Marine Coordination and Fisheries Liaison

The following contact can provide more information if required:

Telephone Number, 24/7	+44 (0) 333 344 5255
Duty Marine Coordinator	seagreenmarinecoordination@sse.com
Address	Seagreen Wind Energy Ltd, Windy Waves House Montrose Port Authority, South Quay Ferryden, Montrose, Angus DD10 9SL.

Fisheries liaison is coordinated by Brown and May Marine Ltd. For all fisheries enquiries, John Watt is primary contact:

Telephone Number	+44 (0) 1379872144
Mobile number	+44 (0) 7590 880746
Email	Willie.w@Brownmay.com
Address	Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU

1. Area of Planned Activity.

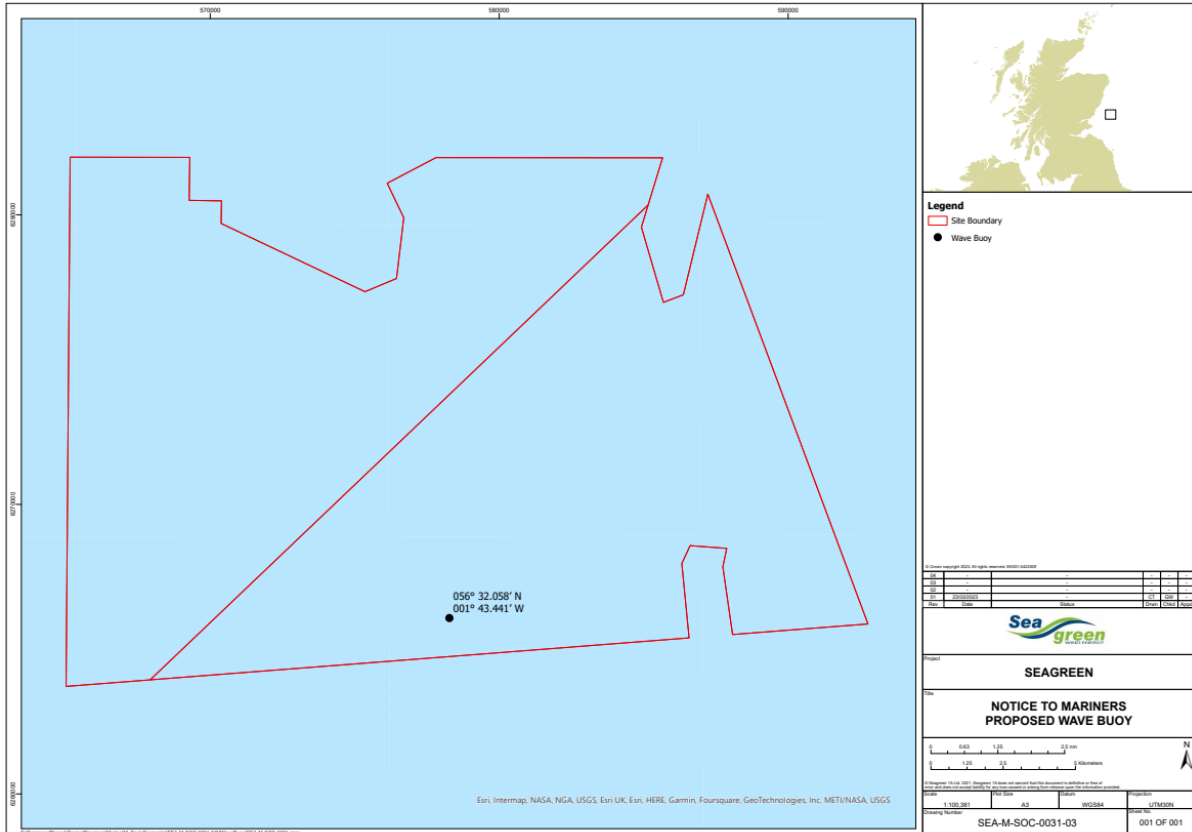

On arrival at the Seagreen development site the Saipem 7000 heavy lift vessel will deploy a wave data buoy within the boundary of the work site.

NOTICE TO MARINERS

2. Activity Description

On behalf of Seaway 7, Saipem 7000 will deploy a wave data buoy in the location and coordinates shown below. The wave buoy will be utilised to assist with WTG foundation installation activities and shall remain in place until further notice. Details of the buoy and light characteristics are shown below.

ID	Latitude (DDM WGS 84)	Longitude (DDM WGS 84)
Saipem 7000 wave buoy	56° 32.058' N	001° 43.441' W

Fig 1 – Saipem 7000 wave data buoy location & coordinates.

NOTICE TO MARINERS

Vessel – Saipem 7000		Contact Details		
	Call Sign	C6NO5		
	MMSI	309461000		
	Vessel Details			
	Length	197.9m		
	Beam	87.0m		
	Draft	10.7m		
	Vessel Contact	George.cooper@seaway7.com		

4. Safety Zones

Following consideration by Scottish government ministers it has been agreed that during the construction phases of the Seagreen development mandatory rolling 500m safety zones will be established around each Wind Turbine Generator and/or their foundations whilst construction works are in progress, as indicated by the presence of a construction vessel. The safety zones will be triggered whenever a vessel is on station at a WTG and undertaking construction activities.

NOTICE TO MARINERS

In addition, mandatory pre commissioning 50m safety zones will be established around each Wind Turbine Generator and/or their foundations when construction works have been completed but prior to Wind Farm commissioning or where construction works have only been partially completed. These safety zones will be active at any structure during the construction phase where a construction vessel is not present at a Wind Turbine Generator.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address included in Section 1 of this notice.
