

NOTICE TO MARINERS

Notice of environmental study activities on Seagreen Offshore Wind Farm

Date of Issue	16/06/2023	Notice Number	14/2023 Revision 2
---------------	------------	---------------	--------------------

Seagreen Offshore Wind Farm – PELAgIO Offshore Windfarm Environmental Study Revision 2.

Contact Details for Marine Coordination and Fisheries Liaison

The following contact can provide more information if required:

Telephone Number, 24/7	+44 (0) 333 344 5255
Duty Marine Coordinator	seagreenmarinecoordination@sse.com
Address	Seagreen Wind Energy Ltd, Windy Waves House Montrose Port Authority, South Quay Ferryden, Montrose, Angus DD10 9SL.

Fisheries liaison is coordinated by Brown and May Marine Ltd. For all fisheries enquiries, John Watt is primary contact:

Telephone Number	+44 (0) 1379872144
Mobile number	+44 (0) 7590 880746
Email	Willie.w@Brownmay.com
Address	Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU

1. Area of Planned Activity.

Marine Scotland Science intend to undertake Offshore Wind Farm environmental surveys around the Seagreen Offshore Windfarm site, and wider Firth of Forth and Tay areas as part of the PELAgIO programme of works. PELAgIO is a three-year project, led by the University of Aberdeen and co-funded by the Natural Environment Research Council (NERC) and The Crown Estate (TCE), that will help improve understanding of how OWFs may influence marine productivity and, consequently, fish, bird, and marine mammal distributions.

NOTICE TO MARINERS

2. Activity Description

As part of the survey activity a seabed frame was deployed in the position 56° 32.740' N 001° 30.390' W. This frame will be re-deployed to the coordinates shown below in table 1 and fig 1. The frame shall be moved by the vessel Waterfall. The frame/mooring shall have no surface marking with recovery by acoustic release system. Waterfall is expected on site on the 16th of June.

An acoustic survey and water sampling activities will also take place within the wind farm boundary. The Marine Scotland survey vessel Alba na Mara will conduct a number of transects through the site whilst conducting these activities. Alba na Mara is expected on site on or around the 21st of June. Vessel details below.

ID	Latitude (DDM WGS 84)	Longitude (DDM WGS 84)
Seabed Frame	56° 32.529' N	001° 30.767' W

Fig 1 – Seabed frame locations and coordinates.

3. Vessel Details

Vessel – Alba na Mara	Contact Details	
	Call Sign	2AIE4
	MMSI	235059857
	Vessel Details	
	Length	27m
	Beam	9m
	Draft	4.8m
	Vessel Contact	Graeme.watters@sse.com

NOTICE TO MARINERS

Vessel – Waterfall	Contact Details	
	Call Sign	2CBT4
	MMSI	235071392
	Vessel Details	
	Length	15.0m
	Beam	6.0m
	Draft	1.6m
	Vessel Contact	N/A

4. Safety Zones

Following consideration by Scottish government ministers it has been agreed that during the construction phases of the Seagreen development mandatory rolling 500m safety zones will be established around each Wind Turbine Generator and/or their foundations whilst construction works are in progress, as indicated by the presence of a construction vessel. The safety zones will be triggered whenever a vessel is on station at a WTG and undertaking construction activities.

In addition, mandatory pre commissioning 50m safety zones will be established around each Wind Turbine Generator and/or their foundations when construction works have been completed but prior to Wind Farm commissioning or where construction works have only been partially completed. These safety zones will be active at any structure during the construction phase where a construction vessel is not present at a Wind Turbine Generator.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address included in Section 1 of this notice.
