Address	Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU

1. Area of Planned Activity.

Potential unexploded ordnance identification and boulder relocation activities will be conducted within the boundary of the Seagreen Offshore Wind Farm.

NOTICE TO MARINERS

2. Activity Description

On behalf of Seagreen Wind Energy Ltd, Seaway 7 will conduct potential unexploded ordnance identification and boulder relocation activities within the Seagreen site boundary. Potential UXO and boulder relocation works will be conducted by Olympic Taurus, Aurora Pearl will conduct boulder relocation works only. Aurora Pearl is expected arrive at site on or around the 28th of March with Olympic Taurus expected on the 31st. The Seagreen development site boundary and vessel details are shown below.

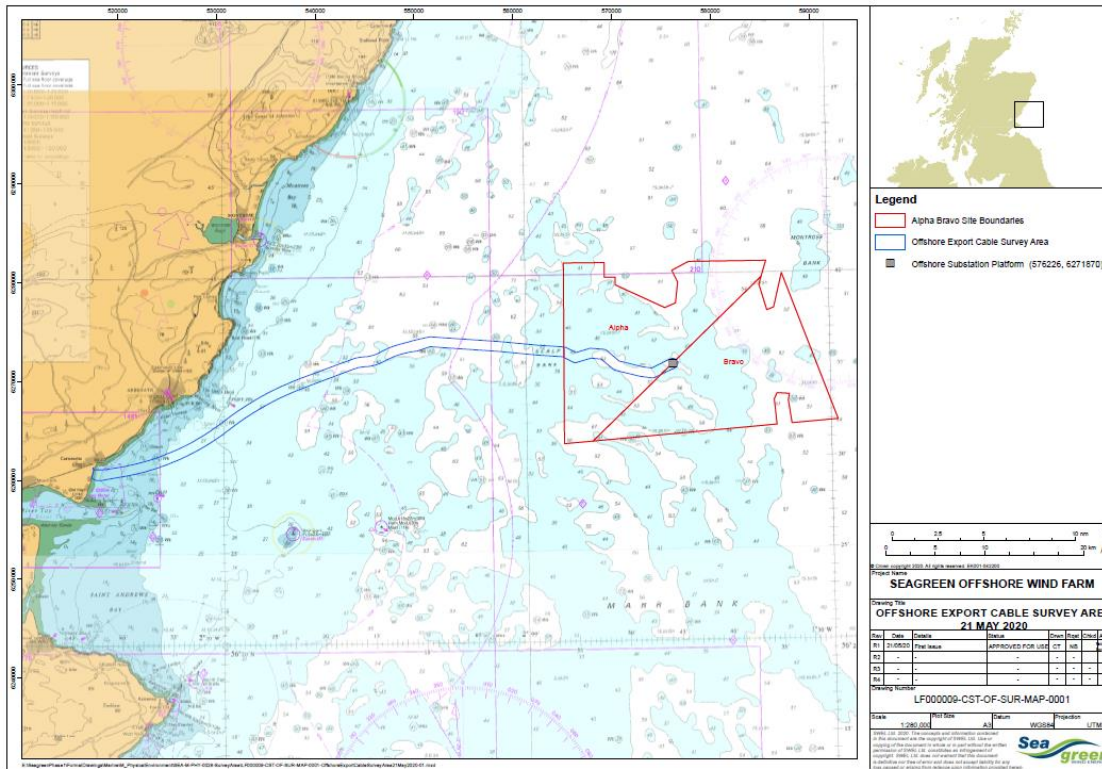

Fig 1 – Seagreen development site boundary.

Vessel – Olympic Taurus		Contact Details		
	Call Sign	LDXA3		
	MMSI	257959000		
	Vessel Details			
	Length	93.8m		
	Beam	20.0m		
	Draft	5.4m		
	Vessel Contact	George.cooper@seaway7.com		

NOTICE TO MARINERS

Vessel – Aurora Pearl	Contact Details	
	Call Sign	D5TS4
	MMSI	636019267
	Vessel Details	
	Length	80.1m
	Beam	19.1m
	Draft	4.6m
	Vessel Contact	George.cooper@seaway7.com

4. Safety Zones

Following consideration by Scottish government ministers it has been agreed that during the construction phases of the Seagreen development mandatory rolling 500m safety zones will be established around each Wind Turbine Generator and/or their foundations whilst construction works are in progress, as indicated by the presence of a construction vessel. The safety zones will be triggered whenever a vessel is on station at a WTG and undertaking construction activities.

In addition, mandatory pre commissioning 50m safety zones will be established around each Wind Turbine Generator and/or their foundations when construction works have been completed but prior to Wind Farm commissioning or where construction works have only been partially completed. These safety zones will be active at any structure during the construction phase where a construction vessel is not present at a Wind Turbine Generator.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address included in Section 1 of this notice.
