

Thank you for taking the time to look over our Information Boards. We hope you have found the information useful and interesting.

## Feedback on our proposal

If you would like to share your views on our proposed variation cable route, please fill out one of our online Consultation Questionnaire (link just below these boards on our website) before Monday 20 July 2020.

All feedback received will be recorded and taken in to consideration before we make any submissions to Angus Council.

Comments and questions on the proposals or requests for further information will be responded to as soon as possible.

## Frequently asked questions

Frequently asked questions and responses to these questions will be published on the project website on Friday 24 July 2020.

## Final feedback

Members of the public will then have until Friday 31 July to submit final comments on the proposals via our online questionnaire or email.

**Please note that comments made to Seagreen are not representations to Angus Council.**

**There will be an opportunity to make representations to Angus Council should a planning application be submitted.**
