

# NOTICE TO MARINERS

## Notice of Survey Activity on Seagreen Offshore Wind Farm

Date of Issue	07/12/2023	Notice Number	22/2023
---------------	------------	---------------	---------

### Seagreen Offshore Wind Farm – PrePARED project Sandeel dredging.

#### Contact Details for Marine Coordination and Fisheries Liaison

The following contact can provide more information if required:

Telephone Number, 24/7	+44 (0) 1674 689401
Duty Marine Coordinator	seagreenmarinecoordination@sse.com
Address	Seagreen Wind Energy Ltd, Windy Waves House, Montrose Port Authority, South Quay Ferryden, Montrose, Angus DD10 9SL.

Fisheries liaison is coordinated by Brown and May Marine Ltd. For all fisheries enquiries, John Watt is primary contact:

Telephone Number	+44 (0) 1379872144
Mobile number	+44 (0) 7590 880746
Email	John.Watt@Brownmay.com
Address	Brown and May Marine Progress Way Mid Suffolk Business Park Eye, Suffolk IP23 7HU

#### 1. Area of Planned Activity.

Mariners are advised that the Scottish Government Marine Directorate (MD, formerly Marine Scotland Science) intend to undertake Sandeel dredging operations within the boundary of the Seagreen Offshore Wind Farm as part of the PrePARED project. The dredging locations and coordinates are shown below in fig 1 and table 1.

# NOTICE TO MARINERS

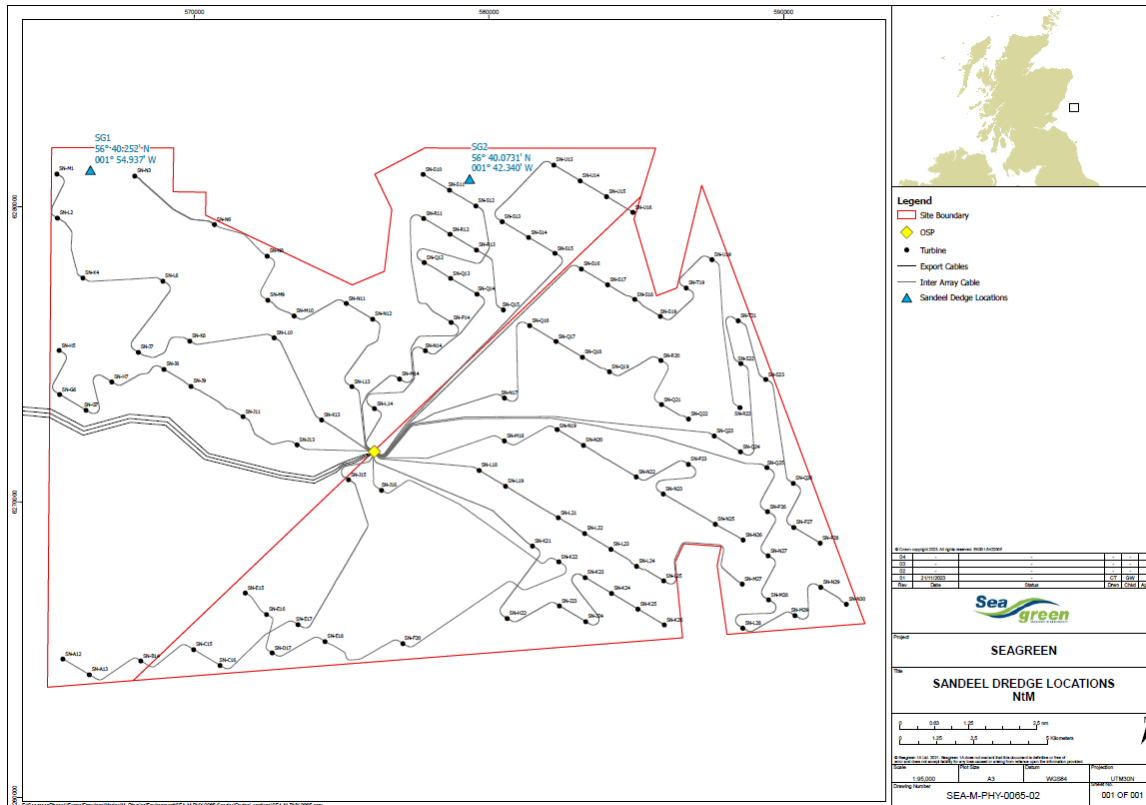

Fig 1 – Dredge locations

Sandeel dredge coordinates	Latitude (DDM WGS 84)	Longitude (DDM WGS 84)
Seagreen 01	56° 40.252' N	001° 54.937' W
Seagreen 02	56° 40.073' N	001° 42.340' W

Table 1 – Dredge coordinates.

## 2. Activity Description

The PrePARED project (Predators and Prey Around Renewable Energy Development) is a four-year partnership, led by Scottish Government’s Marine Directorate (MD) and co-funded by Crown Estate Scotland, that will help improve understanding of how seabirds, marine mammals and fish respond to offshore wind farms (OWF). A Sandeel dredge will be conducted by the MD’s research vessel Alba na Mara. The survey vessel is expected to arrive at Seagreen on the 9<sup>th</sup> or 10<sup>th</sup> of December, weather conditions permitting with survey works completed in one day, vessel details below.

# NOTICE TO MARINERS

## 3. Vessel Details

Vessel – Alba na Mara		Contact Details	
	Call Sign	2AIE4	
	MMSI	235059857	
	Vessel Details		
	Length	27.0m	
	Beam	9.0m	
	Draft	5.0m	
	Vessel Contact	N/A	

## 4. Safety Zones

As all the Seagreen Wind Turbine Generators are fully commissioned, mandatory 500m safety zones shall be established around any WTG where major maintenance work is being undertaken, where major maintenance is as per the definition given in the 2007 Regulations. The safety zones will be active whenever a major maintenance vessel is at the WTG during the operational phase. Up to five of these safety zones could be concurrently active, but no more than four where there is one active 500m safety zone around the Offshore Sub-station Platform.

A mandatory 500m safety zone shall be established around the Offshore Sub-station Platform where major maintenance work is being undertaken, where major maintenance is as per the definition given in the 2007 Regulations. The safety zone will be active whenever a major maintenance vessel is at the OSP during the operational phase.

**MARINERS ARE REMINDED** to navigate with caution and keep continued watch on VHF Ch.70/16 when navigating the area.

## 5. Distribution List

A central list of recipients is maintained by the Marine Coordinator; if you are not the appropriate recipient of these notices, or do not wish to receive the notices in the future, please contact us at the address included in Section 1 of this notice.
